Nichi-Iko Pharmaceutical Co., Ltd. will celebrate its fiftieth anniversary on July 15, 2015. This comes as a result of the support we have received from all our stakeholders, including our shareholders, for many years.

Accordingly, to express our appreciation to our shareholders, our dividends for the fiscal year ending March 31, 2015, will include a fiftieth anniversary commemorative dividend of ¥2 in addition to the ordinary year-end dividend of ¥12.30.

Added to the second quarter dividend of ¥12.30 per share, the total dividend for the fiscal year ending March 31, 2015 will be ¥26.60 per share.

In addition, as we held a commitment-type rights offering (allotment of listing-type stock acquisition rights without contribution) in the fiscal year ending March 31, 2014, the total number of shares issued has increased.

The total amount of the dividends was ¥1,275 million for the fiscal year ending March 31, 2013, but following the commitment-type rights offering it has increased to ¥1,373 million for the fiscal year ending March 31, 2014. Furthermore, the amount for the fiscal year ending March 31, 2015 can be expected to increase to ¥1,590 million including ¥2 commemorative dividend.
